

Roy Orbison, Looking For Love

Well I've been to a lot of places and I've seen a lot of things
But I ain't never found the girl of my dreams
Been coast to coast and back again but I'm as lonely as I've been

New York, 'Frisco too, old Chicago, even St.Lou'
Been to Dallas and New Orleans
But I ain't never found the girl of my dreams

Well I don't know where and where and don't know when
This lookin' for love will ever end, but I'll keep searchin' everywhere

Mmm to find a love that'll really care

New York, 'Frisco too, old Chicago, even St.Lou'
Been to Dallas and New Orleans
But I ain't never found the girl of my dreams

Well I rambled around and I never met the one true love you can't forget
So I travel on from town to town, oh, until my sweetheart can be found
