

Roy Orbison, One More Time

C Trevis

Tell me one more time, with your hand in mine, that you love me like you used to do
Tell me one more time, that you want me one more time, break my heart in two
Tell me one more time, with your hand in mine, that you need a love so sweet and true
Tell me one more lie, I'll cry you one more cry, tell me that you love me one more time
One more time, tell me that you care, one more time, honey I'll be there
Tell me just once more, like you did before, that you need a love so sweet and true
Tell me one more lie, I'll cry you one more cry, tell me that you love me one more time
