Roy Orbison, Shahdaroba

Where the Nile flows And the moon glows On the silent sand Of an ancient land

When a dream dies And a heart cries Shahdaroba Is the word they whisper alone

Shahdaroba, Shahdaroba Means the future is much better than the past Shahdaroba, Shahdaroba In the future you will find a love that lasts

So when tears flow And you don't know What on earth to do And your world is blue

When your dream dies And your heart cries Shahdaroba Fate knows what's best for you

Shahdaroba, Shahdaroba Face the future and forget about the past Shahdaroba, Shahdaroba In the future you will find a love that lasts
