

Roy Orbison, The Morning After

There's got to be a morning after, if we can hold on through the night
We have a chance to find the sunshine let's keep on looking for the light
Oh can't you see the morning after? it's waiting right outside the storm
Why don't we cross the bridge together and find a place that's safe and warm?

It's not too late, we should be giving, only with love can we we climb
It's not too late, not while we're living, let's put our hands out in time
There's got to be a morning after, we're moving closer to the shore
I know we'll be there by tomorrow and we'll escape the darkness
We won't be searching anymore

There's got to be a morning after, we're moving closer to the shore
I know we'll be there by tomorrow and we'll escape the darkness
We won't be searching anymore

There's got to be a morning after
There's got to be a morning after
There's got to be a morning after
