Roy Orbison, Till The Heart Caves In

Stood together in an open field And shared the secrets that the night revealed Then we'd chase the light racing through the sky

Can we untangle guilt and innocence? How hard we torture this ambevolence Night will bring no dawn where's the power gone?

For I'll steal your dreams while you are sleeping And sell them for dust and cheap lust And I'll turn your hope while you are weeping

And cover your eyes with sad lies and dark skies

Come closer to me, on your hands and knees, alone when your will's gone

How much is not enough?, how much is through? How long will I be getting over you? How much grief and sin Till the heart caves in? till the heart caves in?, till the heart caves in?
