

Roy Orbison, Words

Smile an everlasting smile
A smile can bring you near to me
Don't ever let me find you gone
'Cause that could bring a tear to me
This words have lost their glory,
Let's start a brand new story, now my love
Right now there'll be no other time
And I can show you all my love

Talk in everlasting words

And dedicate them all to me
I will give you all my life
It's here if you should call to me

You think that I don't even mean
A single word I say
It's only words and words are all I have
To take your heart away
