

# Royal Bliss, Save Me

You don't know me, no you don't know a thing about love or life in between  
I'm screaming through your door  
leave me tonight  
how could you mean that she said  
Oh I turn my back, my eyes full red  
I don't believe that she said, you're out of your mind  
I don't know why, all I need is someone to save me, I believe  
I don't know why, all I need is someone to save me, I believe,  
I don't know why  
You turn on me, and left me alone with my fate  
I know I'd leave myself inside  
I can't stop that fight  
How could you mean that she said, oh you turn my eyes so full of red  
I don't believe that she said, you're out of your mind  
Yeah

I don't know why all I need is someone to save me  
I believe I don't know why all I need is someone to save me  
I believe  
What about those times you left me alone in the bed, well I didn't mean it  
all of those nights you swore that you'd call when you didn't  
well I didn't mean it  
all of those times you tore me down and said, well I didn't mean it,  
what about the times you told me you wish you were dead  
I did mean it  
why all I need is someone to save me I believe  
I don't know why all I need is someone to save me, I believe and I don't know why  
why  
I don't know why  
why
