

# Royal Blood, Limbo

Wake up every morning  
Almost surprised i survived  
Blood on the pillow  
Tears in my eyes  
Slept in a murder scene last night

Nobody move  
Nobody gets hurt  
On loop the loop  
Can't get out of reverse

Stuck in limbo  
(all this time)  
Waiting (Stuck in limbo) /2x  
I need saving  
(all this time)  
I am fading  
(hold on)  
Fading  
(Stuck in limbo)  
Stuck in limbo  
(all this time)  
Waiting (Stuck in limbo) /2x  
I need saving  
(all this time)  
I am fading  
(hold on)  
Fading  
(Stuck in limbo)
