

# Royal Blood, TROUBLE'S COMING

I gave my knuckles a run for their money  
Spider web  
Cracks on the mirror  
I see soemone but not somebody  
If i could then i would  
If i could then i would  
If i could

I let my demons take hold a choke on me  
Can fill these holes that i am digging  
Can Stop my heart when it's sinking  
But if If i could then i would  
If i could then i would  
If i could

If i could then i would think i would pretend  
Troubles coming but still don't know when  
That's the voice that i can hear in my head  
I hear it over and over again

I hear the trouble coming  
over and over again

in my reflectuon i see signs of psychosis  
i try to pay tchem no attention  
can't keep tchem under the Surface  
If i could then i would  
If i could then i would  
If i could

If i could then i would think i would pretend  
Troubles coming but still don't know when  
That's the voice that i can hear in my head  
I hear it over and over again

I hear the trouble coming  
over and over again

i can;t wait forever  
cause i don't have the time left to spend  
wishng i was somebody better  
wishing i could start all over again

I hear the trouble coming  
over and over again

If i could then i would think i would pretend  
Troubles coming but still don't know when  
That's the voice that i can hear in my head  
I hear it over and over again

I hear the trouble coming  
over and over again
