

Royal Hunt, The prayer

Why God (so strong) took you away?
He forgot me along the way
(Taking you so) far away to heaven
Oh, but I'll pray

Love is (so strong) breaking my heart
Feels it's ready to fall apart
(The mercy of my) jaded heart is leaving
Oh, but I'll pray

You (I'm calling you)
Forgot me along the way
(It seems like so) far away you've let me
Oh, but I'll pray

You (I'm calling you)
Forgot me along the way
(It seems like so) far away you've let me
Oh, but I'll pray

But I, oh I will pray
