

Royce Da 59, Blow Dat

(Royce Da 5'9")
Nottz, let's take 'em back

Yes.. yes.. yes.

Yes.. the Smith 'n, the Wesson

Extended clip in the vest of whoever testin

Rollin to the party with the shottie with the body

Made the lead put the slugs with the hollows in the heads

with the, with the with the with the Mossberg pump

When it thump make the nigga with the heart turn punk

Would ya, would ya would ya would ya please leave me alone

so I can get my Chuck D on

"Yes.. the rhythm, the rebel"

+Public Enemy+ number one with heavy metal

If I don't got the whistle in my Air Nikes

I don't feel right out there livin in my "Surreal Life"

All of you ho's should know I will blow that whistle

Blow a hole in your throwback and throw that pistol

Pimps, pussy and power, police, pitchers, hitters

The streets, religion, ballers, all of 'em getcha getcha if you don't

(Chorus)

Blow dat whistle.. blow dat whistle.

Blow dat whistle.. blow dat whistle.

(Royce Da 5'9")

At a hoe that dissed you, or that clique crew

Please don't depend on the short arms of the law

Naw, niggaz be goin crazy waitin for they day

But me I know what time it is like Flava Flav, hey

Pimps, pussy and power, police, pitchers and hitters

The streets, religion, ballers, all of 'em getcha getcha if you don't

(Chorus)

(Royce Da 5'9")

Yes, niggaz be lookin awfully hard to the car

Bein coughed out while I be Heimlich-ing off

The kind that'll knock the primer off the side of your car

The kind that'll bang the triangle off your garage

When it sound off, y'all'll be talkin to God

Cause y'all are soft inside, you had to be bossin up

So I had to be bossin you down, talkin hard

'til I blow you across the street like a crossing guard

Ha.. I will blow that whistle

Leave your brains all over the ho that's with you

Leave you layin all over the flo' that's with you

Leave your name all over the flow that fits you

This is for you and whoever you sold that shit to

I'm the soldier with the fo'-fo' that hits you

Pimps, pussy and power, police, pitchers and hitters

The streets, religion, ballers, all of 'em getcha getcha if you don't

(Chorus)
