

# Royksopp, You Don't Have A Clue

It's late in the night, dancing is done  
The music has died, you're ready to run  
But you don't have a clue, this party hasn't ended yet  
Not for me and you, now you're just pretending  
You're hiding from yourself,  
Yes you are, yes you are  
Like golden rays of sun in the cloud  
We're meant to be one, I know we are  
If I am the sky, then you are my star  
Hey you don't have a clue, this party never ended  
Not for me and you, I know you're just pretending  
You're hiding from yourself,  
Yes you are, yes you are  
Like golden rays of sun in the cloud  
I will make you see  
Haven't you got, haven't you got it yet?  
Just lay down for a while, next to me  
Didn't mean to make you panic, didn't mean to put you off  
Baby it's the way that you've got me  
I listen to my heart and it takes you high  
And you ask me how, can I show you how?  
I need your love right now, now, now.  
Oh, oh.
