

Royworld, Back Of My Mind

I see this face, all the time.
All the things I said, I don't remember.
You know you were,

Always in, you're always in the back of my mind [x8]

If all my secrets, could dissappear, out the window on the air.
Cause I don't want to, fight no more,
I lost my reasons, I started for.
And now I'm driving, in my car,
I don't remember, you at all.
When no one wants you, when you're gone,
I still hear the silence.

Always in, you're always in the back of my mind [x8]

So I called with the dogs in the dead of the night,
four hours, 38 minutes time.
all the sound and noise filling up my mind,
thought I had you, but I never seem to have the time.

Always in, you're always in the back of my mind [x4]

I see this face, all the time.
All the things I said, you know I take them back,
after all this time...
