

# Ruben Studdard, Ain't No Need To Worry

Chorus:

Ain't no need to worrying  
What the night is gonna bring  
Because it will be all over in the morning

Ain't no need to worrying  
What the night is gonna bring  
Because it will be all over in the morning

There's a feel of nightfall  
When darkness comes and covers all of the day

Sometimes we feel pain  
But there are some things that we can change  
Just pray

Chorus

Troubles come but they do pass  
Heartaches hurt but they don't last all day

Sometimes we feel pain  
But there are some things that we can change  
Just pray

Chorus

In the morning  
Morning  
It'll be all over in the morning  
It'll be all over in the morning  
(repeat 4x)
