## Ruben Studdard, Running Back To You

(Verse 1:) How can you forgive me when I've often gone astray how can You think of me when I do things my way

Turning my back from You the One who loved me first having my own desires renewing worldly thirst

(Verse 2:) You told me You loved me and I should make up my mind You tell me come back now But I keep wasting time

Feeling so very weak You say I can be strong I feel I've gone too far You tell me to come home

You love me still and I know this is real.

(Chorus:)

And I am running back to You I see You're standing there for me Your arms are open wide and I don't have to cry no more You're standing there for me and I am running back to You Why did I go away When I know I am no good when I'm on my own

(Verse 3:) You told me you could keep me but I've turned it away I've failed you so much now I don't know what to say

Using the same excuse That I am just a man You tell me You've been there and show your nailed, scarred hands So I can see Now I know I am free

(Chorus:)

And I am running back to You I see You're standing there for me Your arms are open wide and I don't have to cry no more You're standing there for me and I am running back to You Why did I go away When I know I am no good

(Bridge:) I have taken advantage of Your love & Dy grace Forgive me Lord and take me home Take me home

(Tag:)
I'm running to you Jesus
Please take me home
See, I've been in this wrong way too long
and I can't do right anymore
I'm tired of pain
and I don't like fear
but Lord I want to be more sincere

I never should have left Your side return me to Your guiding light You're standing there for me and I'm running back to you
