

Ruben Studdard, Shining Star

(from Scooby Doo 2 soundtrack)

When you wish upon a star
Dreams will take you very far, yeah
When you wish upon a dream
Life ain't always what it seems, oh yeah, oh year
What'd you see, on nights so clear, clear
In the sky, so very dear (very dear)

You're a shining star
No matter who you are
Shining bright to see
What you could truly be (truly be)

Shining star come into view
To shine its watchful light on you, yeah
Give you strength to carry on, yeah
Girl, make your body big and strong, oh yeah

So if you find yourself in need
Why dontcha listen to these worlds of heed
Be a giant, grain of sand
Words of wisdom - "Yes, I can"

You're a shining star
No matter who you are
Shining bright to see
What you can truly be
(Repeat 3x)

When you wish upon a star
Dreams will take you very far, yeah
When you wish upon a dream
Life ain't always what it seems, oh yeah, oh year
What'd you see, on nights so clear, clear
In the sky, so very dear

You're a shining star
No matter who you are
Shining bright to see
What you can truly be
(Repeat 2x)

Shining star, for you to see
What your life can truly be
