

Rubettes, Cherie Amour

Cherie amour our love's pour les jours
All through the day time
You're always on my mind.

Cherie amour our love's pour tous les jours
Not for one night time
But for our life time.

Seasons come and seasons go
But our love will go on and on
And I'll be beside you
When the cold winds blow
And I'll shelter you from the storm
Keep you warm
oh
oh
oh.

Cherie amour our love's pour tous les jours
