

Rude Buddha, Miss California

Chorus

wake up miss california, the city of angels gonna ruin your life, you'll never fail, you'll never struggle

she's barely, barely, barely 21 and yet the young girl doesn't even know her first name, sometimes
why did she go, why did she leave? i was 10 years old, man, i can't believe she left me, and now she

chorus

now you're barely, barely, barely 31 looking for a way out, hoping you can get out, you talk about y

chorus

you forgot about, all those books you read, you forgot about the dreams inside of your head.

chorus

why did you go? (x8)
