

Rude Buddha, Payback

Grab your flag i know your sad i know you've got the butterflies, they might stick for awhile, retributi

chorus

can't stand the look upon his face, he says one thing and does another, meet me another time, and

chorus

now he's messed with that bad-ass motherfucker and his chain wallet wrap it round his neck like a
payback (x 4)

chorus

you believe me when i say, i'll wrap it round your head and make it look like suicide
