

Rudimental, I Will For Love (feat. Will Heard)

I will for love,

Even if our world is done and the sky is falling down
It won't even matter to us
No, it won't even matter to us, no
We could risk it all
We'll fight until we fall
We could risk it all
I will for love, /8x

And even if our world is done and the sky is falling down
It won't ever change my love
No, it will never change my love
No no, oh, we could risk it all
We'll fight until we fall
We could risk it all
I will for love, /8x

And even if our world is done and the sky is falling, the sky is falling down
Coz it won't ever change my love, no, no
It will change, it will never change my love, your love, my love
I will for love, /10x
