

Ruel, YOU AGAINST YOURSELF

I know you feel it, but you always rather bottle it up
I'm rooting for you, but you're not even trying
I want to help you, but it's hard to get through all of your walls
I hope you know that I'm rooting for ya
You made all this conflict
Brought it upon yourself
Is this what you wanted?
I can't even tell
Stuck in the thick of it (ooh-ooh)
God, aren't you sick of it by now not just a little bit? (Ooh-ooh)
It's always you against your-
Selfish ways are suffocating, I can't save you now
Oh, why's it always you against yourself?
You're on the other side of everything that anyone says
So defensive, and it's you that it's hurting
I wanna help you, but I can't, so I'm walking away
I'm rooting for ya, still rooting for ya
Wish I could be honest
Wish you'd understand
We don't talk very often
You're lost in your head
Stuck in the thick of it (ooh-ooh)
God, aren't you sick of it by now not just a little bit? (Ooh-ooh)
It's always you against your-
Selfish ways are suffocating, I can't save you now
Oh, why's it always you against yourself?
You're going out almost every night
And you wonder why you feel fucked up
Say you wanna try to live a better life
Until you realize nothing's enough
You're going out almost every night
And you wonder why you feel fucked up
Say you wanna try to live a better life
Until you realize nothing's enough
Stuck in the thick of it (ooh-ooh)
God, aren't you sick of it by now not just a little bit? (Ooh-ooh)
It's always you against your-
Selfish ways are suffocating, I can't save you now
Oh, why's it always you against yourself?
