

# Ruff Michael, Ariel

Brother says hurry  
Can you come this afternoon  
Maybe there's something you can do  
She's been calling out your name all night  
Slippin' away for sure  
'm afraid she's not long for the world  
Oh Ariel  
You really need to know  
Here is a reason  
There is no reason to go  
Oh, Ariel - if you leave me  
Life won't be the same  
Stay Ariel  
Now I whisper in your ear  
Ariel - it's me  
Remember the one who meant so much to you  
I gave up on us once before  
But now I return to find  
The girl just wants to leave it all behind  
Don't give up this time  
Oh Ariel  
You really need to know  
Here is a reason  
There's no reason to go  
Oh Ariel - if you leave me  
Life won't be the same  
Stay Ariel  
C'mon time is running out  
Time to make up your mind  
We've come too far to leave it all behind  
Don't give up this time  
Oh Ariel  
You really need to know  
Oh Ariel - there is no reason to go  
Oh if you leave me  
Life won't be the same  
Stay Ariel  
Oh Ariel  
You really need to know  
Life won't be the same if you leave me  
Oh Ariel...
