

# Ruff Ryders, Bugout

[Featuring Eve Nokio (Dru Hill)]

[Eve: Verse 1]

Uh

Sick when she rock shit stop when block shit  
Never try to run when she pull back the cock shit  
Stop drop shut 'em down open up shop shit  
Got 'em goin' crazy wonderin' when they could cop shit  
First lady Ruff Ryder honey got the hot shit  
Star bound money now for jet black drop shit  
Eve guarantee betcha' niggaz wanna pop this  
Little kids be behind me screamin' out, "Can you stop miss?!"  
I know they daddy's fiendin', daydreamin' bout me topless  
Real bitches listen while they ride around and knock my shit  
Try not to move ya head, come on now, stop it  
Hustle nigga betty take yours quicker than coke profit  
'Cuz I can double it, and put  
Bitch on bitch, brick on brick, stich on stich, who you fuckin wit?  
Not me, can't a nigga or bitch stop me  
You hatin' mothafuckas line up for your first copy

[Chorus]

[Nokio]

Y'all fuckin' with the right ones, UHH  
Role it up and just lite some, UHH  
Where my niggaz with the big guns?  
And when you smoke that shit it's like, "WHOA!!WHOA!!"

[Eve]

Y'all fuckin' with the right ones, UHH  
Role it up and just lite some, UHH  
Where my niggaz that take ones?  
'Cuz when we smoke that shit it's like "WHOA!!WHOA!!"

[Verse 2: Eve]

Uh, yo

Start the beef, hold up, ran when we roled up  
Tough guy, wanna try ya luck? Betcha' fold up  
Ask around partner, got this whole shit sewed up  
Gotcha' cryin' like, "Man I wanna blow up!"  
Cowards make me sick, swere to god I wanna throw-up  
Answer in a session with me? You better flow tough  
Offended? Don't agree with what i'm sayin' nigga? So what?  
Now I gotta teach you respect, you better slow up  
Question, 'Can she really hold it down?' (sure enough)  
Philly's where she from, but when she smoke, she like to go Dutch  
You know what? Quick to take the next man shyne  
Quick to make him start bitchin' make the next man whine  
Fuckin babies!! Go ahead and lay down, it's nap-time  
Same shit you spittin', heard it in your last rhyme  
Ain't to much thatchu' could do, so that'chure skills could pass mine  
Car eer fineto, here's some dough, go watch a peep show

[Chorus]

[Nokio]

Y'all fuckin' with the right ones, UHH  
Role it up and just lite some, UHH  
Where my niggaz with the big guns?  
And when you smoke that shit it's like, "WHOA!!WHOA!!"

[Eve]

Y'all fuckin' with the right ones, UHH  
Role it up and just lite some, UHH  
Where my niggaz that take ones?  
'Cuz when we smoke that shit it's like "WHOA!!WHOA!!"

[Verse 3: Eve]

What me to talk crazy, shit, my moms made me  
And all ya'll niggas can do is \*???spend a paybie???

Ain't gonna never change, do anything for bricks  
Call my celly to come get you while I pass you in your Range  
Nigga ride ya shotgun in the car wit' your friends  
And what the fuck you wanna do? But wanna blow out your brains?  
Clown, I spot 'em from the time you buy me a drink  
Instantly I get a vision of diamond studded links, and full ink minks  
And little doggies dyed pink  
'Cuz I know ya wanna spend your last, before you even think  
If you know somethin', speak the shit, I can keep a secret  
To me, the niggas with the most money, is the cheapest  
Wanna give me money off the book? Daddy you can keep it  
That's why they got the most sites, and in the most fights  
And walk with big brolic niggas thats protectin' they life  
If you know you pussy nigga, take off the ice  
[Chorus]  
[Nokio]  
Y'all fuckin' with the right ones, UHH  
Role it up and just lite some, UHH  
Where my niggaz with the big guns?  
And when you smoke that shit it's like, "WHOA!!WHOA!!"  
[Eve]  
Y'all fuckin' with the right ones, UHH  
Role it up and just lite some, UHH  
Where my niggaz that take ones?  
'Cuz when we smoke that shit it's like "WHOA!!WHOA!!"
