

Ruff Ryders, Down Bottom

[Featuring Parle]

Bab

I'm a Ruff Ryder

Hey

I'm a Ruff Ryder

Oh no no yeah yeah yeah

Mmmmm hmmmm yeah

(Verse 1)

Woke up one Sunday morning

At the crack of dawn and

My baby left a letter

Tellin' me don't forget her (Oh no)

She said I wasn't able

To keep our love stable

She knew that I was foolin' around (Oh yes she did)

She saw me with the girl downtown

(Chorus)

So you sayin' that you love me baby

But you're gone forever and more

And more, and more, and more

And I'm gonna be sorry baby

Cuz I want you more than before

And more, and more, and more

(Verse 2)

Now as the letter goes on

I'm reminded of the time when she's all alone

All the days that she's cried

But never once did I ever see the pain in her eyes (No no)

She said that I was wrong

That a man who doesn't care isn't all alone (Silly ass nigga)

If I could do it all again

Girl I know one thing is I would not let you go

(Chorus)

(Verse 3)

You walked away with nothin' to say (Oh no)

Said you tired of the games I play

There ain't nothin that I wouldn't do

To find a way to get back to ya

Now you're gone and I'm all alone (I'm all alone)

Wish that you, would come back home

You know I need you here in my life

All I wanna do is try to make right

(Chorus)

Baby baby baby

So you sayin' that you love me baby

Let me talk to ya (I'm a Ruff Ryder)

So you sayin' that you love me baby (I know)

I should of spent more time with you

So you sayin' that you love me baby

Can I make it up to you?

I should of been more careful

(Chorus) x2

Mmmmm-hmmmm, yeah

I should of spent more time with you

Cuz you was my baby boo

Rememba all the rocks in da park

Rememba when we made love in da dark

Rememba all da shit baby (I'm a Ruff Ryder)

And I'm gonna be sorry baby

Cuz I want you more than before

And more, and more, and more
