

Rufio, Don't Hate Me

I remember when we would laugh all night and nothing could stop us.
Moments shared were picture perfect, memories remain.

All I want is to be just friends, understand and don't hate her.
Feelings change, there's no strength in me.
I'm sorry, but my love for you is gone, my love is gone...

Honesty is all, we make mistakes I know,
And I knew something's wrong, I couldn't lead you on...

Well.... I see you and me separating for good.
No more friends? this can't be... my best friends gone

Well all I want is to be just friends.
Understand and don't hate her.
Feelings change, there's no strength in me.
I'm sorry my love for you is gone, my love is gone...

Honesty is all, we make mistakes I know,
And I knew something's wrong, I couldn't lead you on...

Night is over, orange haze has filled my eyes again.
She's not perfect, I'm still feeling weak inside when she's around...

Well Don't Hate Me.....

Don't Hate Me...
Don't Hate Me...
Were all done...
Were all done...
Were all done.....
Were all done! (done)....

All I want is to be just friends.
Understand and don't hate her.
Feelings change, lose strength in me.
I'm sorry my love for you is gone, so please don't hate me...
