

Rufio, In My Eyes (Live)

Tom Griswald, Tom Griswald
Down around me and in my eyes
Your ugly, your butt bleeds,
So easily i like guys

Another gay masturbating
I bone in my room
With no balls from you
So i feel you up,
and you then go down
falling down around everyone
except yourself

I thought that you would give me head
Things were so queer but they fell through
Soap on a rope has never failed
Thinking about breast

Tom Griswald, Tom Griswald
Down around me and in my eyes
Your ugly, your butt bleeds,
So easily i like guys
I like guys

Another gay left crying
With you in my room,
Sucking on a broom
You say that im not bright
Ive got a boner now
Stand still young boy,
let me lay you on the ground

I thought that you would never bend
So i shoved back in your poo
Ill probably end up going to jail
Thinking about breast

Tom Griswald, Tom Griswald
Down around me and in my eyes
Your ugly, your butt bleeds,
So easily i like guys

Tom Griswald, Tom Griswald
Down around me and in my eyes
Your ugly, your butt bleeds,
So easily i like guys
