

# Rufio, Stop Whining

so close to  
no one that  
you care for  
cuz you dont care  
it's not worth it  
you can't think straight  
so take your pill  
and stop whining.

so close your eyes  
and think of your life  
behind the wall  
of innocence lost  
think of family  
and think of your friends  
think of memories  
these thoughts will be gone when you're dead  
... dead.

always feel  
discomfort  
always feel alone well who cares about it  
can't find one  
good reason  
to stay here  
so stop whining.

so close your eyes  
and think of your life  
behind the wall  
of innocence lost  
think of family  
and think of your friends  
think of memories  
these thoughts will be gone.

if you really did want to end your life  
you'd be gone by now.

it's just a cop out you can't pull through  
you don't know what to do.

you analyze it  
but you can't see straight  
you dont know what to think  
don't blame your shit on me  
it's getting older as days  
just keep on passing by  
leave me alone.

so close your eyes  
and think of your life  
behind the wall  
of innocence lost  
think of family  
and think of your friends  
think of memories  
these thoughts will be gone when you're dead  
... dead.
