Rufus, Blue Love

Blue love, why'd you have to go and make me sad and blue Love, you're the only one I gave it to and

You can't believe that I'm dying for you Can't you see I've been trying for you I just can't stop this crying for you, ooh-ooh

They say you never know love until somebody leaves you You never know love until your baby leaves you You never know love until your loves turns to

Blue love, who could ever think that you would be untrue Love, I'll do anything you want me to 'cause

You can't believe that I'm trying for you Can't you see I've been crying for you I just can't stop this crying for you, oh you

They say you never know love until somebody leaves you You never know love until your baby leaves you You never know love until your loves turns to blue

Tony

I been hanging on such a long, long time Waiting for the return of your smiling face

Chaka:

And the test and the time that changed every mind can't you see That my world is an unhappy place

Tony:

Oh this love in my heart is tearing me apart

Chaka:

Need ya here wit me how happy we could be

Tony: Together Chaka: Us forever

They say you never know love until somebody leaves you You never know love until your baby leaves you You never know love until your loves turns to blue
