

Rufus, I'm Dancing For Your Love

I see that guy that you're standing near
I know you think that he's fine
He gets you hot with his dancing gear
But you ain't had none of mine

Oh I like the way you move
I'd like to feel your groove
He'll never do you like me
I got the stuff you need

Oh, danse pour ton amour
I'm dancing for your love

Je danse pour ton amour
Dancing for your love tonight

I saw you looking like you wanted some
And you were looking at me
If you want to party and have some fun
(Then) I'm the guy you should see

I, I got the stuff to soothe
I like the way you move
You got the power to be
Everything that I need
