

Rugrats, I'm Telling You This

Oh, oh
Baby, yeah
Oh, oh
Yeah, yeah

There was a time
When I was down
And things just weren't going my way
Just getting by
I didn't have much to give you
Seemed like my world was slowly slipping away

But you stayed right by my side
And helped me through the hardest times
I never told you how much you mean to me
You're all that I need

I'm telling you this
Cause girl you should know
You're the biggest part of my life
I'm telling you this
Cause I want you to know
You make my darkest days bright
And I'm never gonna let you go

Oh, no
Oh baby, yeah
So many times
I felt so lost
Just trying to achieve my dreams
But girl you stuck in
No matter what
Reached out your hand
You gave your heart to me

And then you opened up my eyes
And baby now I realize
My world's much better cause you're right here with me
I'm thankful for you

I'm telling you this
Cause girl you should know
You're the biggest part of my life
I'm telling you this
Cause I want you to know
You make my darkest days bright
And I'm never gonna let you go

You've always been right there
(Been right there)
Nobody ever cared the way that you do
Honey, it's true
And after everything you've done for me
I need you to know
How much I love you girl

Oh, yeah
I'm telling you
(Telling you)
Cause you should know
(You should know)
You're the sun in my sky
I'm telling you
(Telling you)

Cause you should know
(You should know)
I want you
I need you to know

I'm telling you this
Cause girl you should know
(Yes, you should know)
You're the biggest part of my life
(Biggest part of my life)
I'm telling you this
Cause I want you to know

You make my darkest days bright
And I'm never gonna let you go
