

Rugrats, Rugrats All Grown Up Theme Song

4...3...2...1... !

Every birthday, my mom and dad would say
You're another year older, another year wiser
But I still go to school to get an education
I treat each and every day like a mini vacation !

All Grown Up !

I really wanna shout it out !

All Grown Up !

I want the world to know!

All Grown Up !

I really wanna shout it out !

All Grown Up with you

All Grown Up... with... you !"
