

# Rugrats, When You Love

Close your eyes,  
Leave the world behind.  
Find a place,  
Deep inside.  
Where - you imagine,  
That love never dies.  
In the night,  
When you reach for me.  
In your heart,  
Hear my sigh.  
Now and forever,  
Will - you remember?

When you love,  
You're not alone.  
The one you love,  
Is there besides you.  
Never lost,  
Or on your own.  
A gentle hand,  
Is there to guide you.

Like the sun,  
I am shining down,  
Through the vale,  
Through the clouds.  
When - you can't see me,  
You -- must believe me.

That. . .  
(Chorus 4x)
