

Run-D.M.C., Miss Elaine

My my my teacher came in class, breathin hard as could be
And then she made a pass at my homeboy D
I said she's movin fast, she's lookin at me
MISS ELAINE!

She's a crazy lady, she may be insane
She always call me baby, but that's not my name
Hey those kisses that she gave me, I just can't explain
MISS ELAINE!
