Used to keep chiffon inside my locker
Used to get toed down, now I slow down
Hold the flow down from mo town to yo town

They said to me, luck it might be slightly
But if it's luck, then I'm the luckiest you know

And the history of the soul
And this be going on and on

Rhymes so def, rhymes rhymes galore
Rhymes that you've never even heard before
Say you've heard my rhymes, we're gonna have to fight
Cause I just made the hot shut up last night
That's right I'm rhyming tight to catch on the block
Took it to new heights look at Kid Rock y'all
I eat the rock crock, to put y'all on
To have a Limp Bizkit in a piece of corn
