

# RUN-DMC, Here We Go (Live From The Funhouse)

How do you feel out there?  
Ahh Yeah, Aight Aight check this out  
1 2 3 in the place to be  
as it is plane to see  
He is DJ Run and I am DMC  
Funky fresh from 1983 DJ Jam Master J  
Inside the place with all the bass  
He leaves without a trace  
And he came here tonight to get on your case  
And we are the krush grooving, the body moving  
The record makin' and the record breakin'  
And it goes a little somethin' like this:  
It goes a one, two, three and

Here we go here we go here we go  
here we here we here we go

DMC and DJ Run, dum diddi dum didi didi dum dum  
We're rockin' on the mic and then you know where we're from  
Dum didi dum didi didi dum dum  
We hope you're ready for the big beat drum  
Drum didi drum didi didi drum drum  
So people in the place here the big beat comes  
Here we come here we come here we kitty come come  
Come on everybody let's all get down  
What we have is a brand new sound  
So nobody out there be misled  
We make up all these rhymes inside our head  
The other emcees cannot compete  
When we rap on the mic to this big beat  
The beat is big, it's kind of large  
And when we're on the mic, we're in charge

It's like that y'all (that y'all) it's like that y'all (that y'all)  
It's like that a th-that a like that y'all (that y'all)  
Cool chief rocker, I don't drink vodka  
I keep a bag of cheeba inside my locker (Huh!)  
Go to school everyday (Huh!)  
On the side make 'em pay (Huh!) (Huh!)  
'Cause I'm rockin' on the mic till the break of day

And all the things I do make me a star  
And you can be too if know who you are  
So put your mind tuned to go real far  
And next thing is to know what happens so far

Liggy liggy liggy liggy liggy liggy liggy  
Listen to the beat NO I say  
because it's not routine in the way I play (Ahh yah?)  
sittin in my house all time of the day and then I  
move the time Jammaster J

Hey they used to call me easy D  
because I rock on the mic so easily  
But now the call me DMC  
The DMC of the party  
The D's for duly all of the time  
M is for the rhymes that are all mine  
C's for cool cool as can be  
(and why you wear the classes?)  
so I can see

rhymes so deep rhymes rhymes galore  
rhymes that you've never even heard before

now if you say you hurt my mind we gonna have to fight  
cause I've just made the motherfuckers joggle last night  
kick of your sheet relax your feet  
party all down to the DJ Run beat  
the beat to get you off to get you outta your seat  
make you booby to a savvier so that you know what you need  
wait a time a minute don't break on me  
the rhymes come faster and the DJ cheats  
the DJ cuts the record for the value below  
while you boogie you ass till it's time to go  
and when it's time to go girl takin' you home  
so straighten you dress up but on the way it's so cold

And I'm the microphone master super rhyme maker  
I get def when as the others get shaky  
It's me DMC in the place to be  
And I still got the same old harmony  
I'm the devastating mic controller  
The word we say and the chief rocks puller  
That beat boy made for the beat girls  
Rock through the rhymes in the turntable turns  
Some brand new was born to turn  
And it could be init rap king Alex Sore

Rock about the cheats and the games we play  
See DJ come everyday  
We rock round town think hard rhymes  
Get paid real well don't have charge  
We've got big pocket seen  
Can't remand that wanted reward ready is to pay  
We've got all out there, do what they abase  
Place the game with the boy in arrest  
And the game's so light or really for  
He put your hand up to play until the game is done  
So play all to the break of dawn  
As we rock ya all to the early mornin'  
He's Jammaster J the big big blaster  
He gets better cause he knows he has to  
It's 83 and he's a little faster  
And only practise make a real Jammaster  
JMJ are the letters of his name  
Cuttin' and sratchin' are the aspects of his game  
so check out the scratcher as his cuts the jam  
they look at us with da mics in da hands  
then take a wow 1 2 3 Jammaster J Run DMC
