

# RUN-DMC, Miss Elaine

My my my teacher came in class, breathin hard as could be  
And then she made a pass at my homeboy D  
I said she's movin fast, she's lookin at me  
MISS ELAINE!

She's a crazy lady, she may be insane  
She always call me baby, but that's not my name  
Hey those kisses that she gave me, I just can't explain  
MISS ELAINE!
