

RUN-DMC, Naughty

(D.M.C.)

And I say.. the brother's about to get naughty!
Rockin you on down.. to the last.. STOP!

(Run)

See them on the corner, schemin a scam
Makin plans beat the man that'll put him in ?amb's?
Cut for the loot to group, hit a troop or bank
No thanks to the brothers in blue
Freeze stay at ease, nigga get to your knees
Seen cash in the back, about a hundred G's
Step to the next, got a scam with checks
Cold stole a bankroll from plenty of ?? then
up to The Ave., a cab to the lab
to make a stop to drop off the money in the bag
and then send a friend that's been down
to do a job to rob a brother in town
Livin and givin a damn, two different things
The brother dig diamond rings
It's not about makin the money, but the money is taken
Shake em down, flip em out, then break em
He'll break a leg, to get the money
A diggy diggy don't forget he'll break a law, seen
Ain't a damn thing funny bout a nigga named Sonny
but the brother's about to get naughty
