

RUN-DMC, Run's House

(RUN)

A whole lot of superstars, on this stage her tonight
But I want y'all to know one thing-this is... (DMC) My house
and when I say who's house, y'all know what time it is.

- Who's house?

- Run's house!

(RUN)

Ah, once again my firend

Not a trend for then

They said rap was crap

But never had this band

Till the ruler came

With a cooler name

Make ya dance and prance and draw the fans to stades

Name is Run, my son

Number one for fun

Not a gun that's done and get done by none

The others act in fact ya just wack I kill

(DMC) Why?

(RUN) Because it's fun my son and Run heads the bill!

(chorus)

- Who's house?

- Run's house!

(repeat twice)

DMC)

I'm in the house y'all

I'm in the house y'all

And this is how Run DMC will turn it out y'all

I'm in the house y'all

I'm in the house y'all

And this is what Run DMC be about y'all

Well my name is DMC,

The all-time great

I butts the most rhymes in New York state

Reporters Claw

Producers die

They want to be down with the king!

The wanted man from the wanted clan

Wanted by every fan from across the land

Not a G.A.N.G off the street

R. and U.N. D.M.C complete!

(chorus)

(DMC) Get on the mic and (emcee)

(RUN)

Another time I take

For the rhyme I make

Make me mad and sad because the fad is fake

See I do this thing so come presue this king

One mind I rhyme is all you can spring

'Cus I'm the best I'm def

Ask the rest they left

That's my name, my game and we don't need the rep

So keep the booze you loose and suckas cool your mouth

I set a trap for rap thats crap

It's Run's house!

(chorus)

(DMC)

Some underestimate and miscalculate
My intent to create what I call the great
Till I make a song that I prove 'em wrong
See my song so strong and make 'em come along
Come in the door
Get on the floor
Hard rock, hard hitting hip-hop hardcore
Causing casualties and catastrophes
And tragedies for the suck emcees
Use a strategy to get the best of me
You dirty rat emcees
Whoever you may be
You need to go down south
You need to shut your mouth
It's all about no doubt just shout 'cus we turn it out!

(chorus)
