RUN-DMC, You Talk Too Much

Shut up!!!

You talk too much... You talk too much... You talk too much... You talk too much...

Hey! You over there, I know about your kind You're like the Independent Network News on Channel 9 Everywhere that you go, no matter where you at I said you talk about this, and you talk about that When the cat took your tongue, I say you took it right back Your mouth is so big, one bite would kill a Big Mac

You talk too much
I said you talk too much
You never shut up
Homeboy you never shut up

You talk about people, you don't even know And you talk about places, you NEVER go You talk about your girl, from head to toe I said your mouth's moving fast, and your brain's moving slow

You talk too much You never shut up!!
I said you talk too much Homeboy you never shut up

You're the instigator, the orator of the town You're the worst when you converse, just a big mouth clown You talk when you're awake, I heard you talk when you sleep Has anyone ever told you, that talk is cheap

You talk too much You never shut, up!!
I said you talk too much Homeboy you never SHUT UP!!!

Talking is the one thing, that you can do best You told the cavity creeps, to watch out for Crest You never have the story, right and exact And then you always try to bore me, with your yakkity yak

You talk too much And then you never shut up I said you talk too much Homeboy you never SHUT UP!!!

Everyday you are out fighting someone in the street And you're always fighting someone you know ya can't beat Then you wonder how, you got in this mess Just think of what you said, then take a guess

You talk too much You never shut up!
I said you talk too much Homeboy you never SHUT UP!!!

You're always spreading rumors, whether bad or good You're the damn Walter Cronkite of the neighborhood The Barbara Walters, and the Howard Cosell You always come around, with a story to tell

You talk too much And then you never shut up I said you talk too much Homeboy you never SHUT UP!!!

Said it's everybody's business that you love to mind And talkin to you, is like dropping a dime You're spreading the word, like it is your job You should be a stool pigeon, who works for the mob

You talk too much And you never shut up I said you talk too much Homeboy you never shut up! A big blabbermouth, that's what you are If you were a talk show host, you'd be a star I said your mouth is big, size extra large And when you open it, it's like my garage

You talk too much And then you never shut up I said you talk too much Homeboy you never shut up

You always like to gossip, just like a girl You talk so damn much, it's outta this world When you're reincarnated, in your second life You won't be a man, you'll be a nagging wife

You talk too much Then you never shut up
He said you talk too much Homeboy you never SHUT UP!!!

SHUT UP!!! SHUT UP!!!

Twenty-five hours, eight days a week
Thirteen months outta year, is when you speak
I'm tired of listening to the garbage you talk
Why don't you find a short pier, and take a long walk

You talk too much
I said you talk too much
I said you talk too much
You talk too much
You talk too much
I said you talk too much
Home

Then you never shut up!
Homeboy you never SHUT UP!!!
You could be, out of breath
Man you naggin me to death
Tired of hearing you speak
Eight days a week
Then you never shut up
Why don't you ever SHUT UP!!!
Then you never shut up!
Homeboy you never SHUT UP!!!
