

# Run Into The Shadows, When All Dogs Go To Heaven

Well life's running forward, at full speed,  
While looking backward, knowing,  
Your shoes are untied...  
Of all the kings horses,  
And all the kings men,  
That feeling of home,  
Won't be mine...  
So put your hand in mine,  
Look to the sky...  
Together we'll fly,  
(without, ever, leaving our feet)  
We will be together,  
It's only a matter of time.  
It's you and me forever...  
(forever)  
We will be together,  
It's only a matter of time.  
(matter of time)  
When heavens far remember:  
Forever's just a matter of...  
Life running forwards, at full speed,  
While looking backwards...  
Just put your hand in mine,  
And together we will fly,  
Without ever leaving our feet...  
We will be together,  
It's only a matter of time.  
It's you and me forever...  
(forever)  
We will be together,  
It's only a matter of time.  
(matter of time)  
It may seem like forever:  
But heavens just a matter of time....  
Give up your hand, to, the sky...  
(for our time, on earth, is ticking, down, down, down)  
(each second that goes by, I pray for our time that goes by, our time)  
Of all the kings horses and all the kings men  
That once lost feeling of home  
(lives)...again...(again)  
We will be together,  
It's only a matter of time...  
It's you and me forever...  
(forever)  
We will be together,  
It's only a matter of time....  
I'm saying just remember:  
Forever's just a matter of time...  
Forever's just a matter of time...  
Forever's just a matter of time...  
Forever's just a matter of time...
