

Run Kid Run, Wake Up, Get Up

To come around and lose yourself
To know a different life
To know that time will pass you by
We've learned to change but did we change to learn
Is this our so called imitation
To carry on with no convictions
We have the calling of another life
Another way to live
We are the ones We are the ones to blame
So Wake Up! Now it's time, this is all we have
This is the sound of revolution
So Get Up! Get Up!
To the tune of the voice inside
This is the calling of a new life
Now that we know familiar scribes
The motion of our lives
We realize our actions
Let's stop and make this happen
Here we are with so much confidence
But in the end will we be falling suddenly
And find our lives are nothing but the opposite
Of something confident
We are the ones
We are the ones to blame
So Wake Up! Now it's time, this is all we have
This is the sound of revolution
So Get Up! Get Up!
To the tune of the voice inside
This is the calling of a new life
Wake up there's no more time to waste
Today is the day
We are the ones
We are the ones
This is who we are
Now all rise
To who we are inside
