

# Runemagick, Ancient Incantations

Prophecies from the ancient days  
...the dark ways  
Unleashed from beyond our time  
...the dark shrine

The words of wisdom were the truth

Ancient Incantations

The lord of darkness and the empress of the abyss  
Now fly through the gates of the dark mist

Darkness - Death - Doom  
Prevails!

Prophets of the weak enemies  
...die on their knees  
Unborn force from the past  
...is alive at last
