

Runemagick, Dark Dead Earth

(Rudolfsson)

Dark dead earth...

Darkness reign on the earth
Thunder roars in the dark
oooah
Landscapes so dead and cold
Ashes, dust and death
Signs of the final war

Dark dead earth
The dark ones birth

Dark dead earth...

Fire has raped it all
This is their gods fall
Wings of damnation and death
Whispers the song of armageddon

Dark dead earth
The dark ones birth
