

Runemagick, Dethrone the Flesh

Dethrone the flesh, Release your soul

Open the gates

Let death be your goal

Suicide, Release your fire

Show your true face

On the dark side

Dethrone the flesh

Dethrone your flesh

Let your rotten flesh remain

In the world of light

Join the journey to the dark
domain

Then the light you will fight

Enthroned your soul

On the throne of death

Feel the force

Of the gathered darkborn souls

Nocturnal eternal landscapes

Surrounds our growing force

Incarnation now begins

Supreme warriors arise

Dethrone the flesh

Dethrone your flesh

Dethrone your flesh

Enter death, Enthroned your soul

On the throne of death
