

# Runemagick, Enter the Realm of Death

The flesh now decays  
As my soul fly away  
The gates of Hades is open  
Final destination is choosen  
Enter the realm of death  
After the funeral  
When the mourners walk away  
I have my freedom  
Leave this rotten life  
Life now fades  
My soul belongs to Hades  
Into the darkest realm  
The final journey  
Enter the realm of death  
After the funeral  
When the mourners walk away  
I have my freedom  
Leave this rotten life
