

# Runemagick, Ocean Demon

Grey clouds turn black  
The dying sun out of track  
Galactic haze blinds my eyes  
Lost in the desert where everything dies  
Ocean demon whispers  
It calls for my soul  
Beyond the black ocean  
A kingdom of the fivepointed star  
Surrounded my mountains of doom  
Thunder of death roars  
Ocean demon whispers  
It calls for my soul
