

# Runemagick, The Supreme Force

our souls are together  
as a creation of fire  
the blood is united  
immortal desire

the supreme force  
(we are) together as one  
the supreme force

a destiny together  
the force is forever  
the circles are united  
the sign of supremacy

the supreme force  
(we are) together as one  
the supreme force

the supreme force!
