

Runga Bic, I Don't Mean It

Don't make me laugh
I'm not sure I'll feel it now
Believe in the reason
Straight from your heart
What you gonna tell your friends?
When they ask you all about it

CHORUS:

I guess that's alright
Always saying I don't mind and I say it all the time
I don't mean it
Don't even start
I'm not even listening now
Straight from your heart
What you gonna tell your friends?
When they ask you all about it
CHORUS
