Runga Bic, Sway

Don't Stray, don't ever go away
I should be much too smart for this
You know it gets the better of me
Sometimes, when you and I collide
I fall into an ocean of you pull me out in time
Don't let me drown, let me down
I say it's all because of you
And here I go, losing my control
I'm practicing your name so I can say it to your face
It doesn't seem right, to look you in the eye
Let all the things you mean to me
Come tumbling out my mouth
Indeed it's time tell you why
I say it's infinitely true

CHORUS:

Say you'll stay, don't come and go Like you do Sway my way, yeah I need to know All about you

And there's no cure, and only to be sure Why everything's turned inside out And still in so much doubt It makes me so tired - I feel so uninspired My head is battling with my heart My logic has been torn apart And now it all turns sour Come sweets in every afternoon

CHORUS TWICE

It's all because of you It's all because of you Now it all turns sour, come sweets in every afternoon It's time tell you why, I say it's infinitely true

CHORUS TWICE

It's all because of you It's all because of you It's all because of you
