

# Running Wild, Fall Of Dorkas

[Music: Rolf Kasperek]

[Lyrics: Rolf Kasperek]

Creation of the guardian, the force of dark and light  
Two souls to rule the elements to fight a constant fight  
One soul to save the light, one soul to serve the dark  
Rivals to eternity, the saviour and the shark

The gods will fight, the titans clash in time and galaxies  
The serpent and its tamer a fight so endlessly  
Falling, fate is calling, the liar, tamed in fire

The fall of Dorkas, the curse of selfish pride  
Reign of darkness, condemned to fear the light  
Heart of blackness caught in eternal hate  
Armageddon fulfills the long-awaited fate

Dorkas as the chancellor, a charlatan supreme  
A godforsaken liar, intrigue, sly and mean  
He made his bid for power, dropping down his mask  
The uncrowned king of failures, Walloron kicked his ass

[Pre]

[Chorus]

[Leadbreak Rolf]

3.7 billion years, Armageddon's here  
Madness shakes the underworld, they are lost in fear  
The fire of catastrophe opens up the gate  
Evil souls will drown in hell and Dorkas' soul will fade

[Pre]

[Chorus]
